Item 2
Financial, budgetary and administrative matters

Annual review of the financial situation 2001 — **DP/2002/25**

The report contains an analytical review of the financial situation of UNDP for 2001. UNDP continued to be a multi-funded organization and witnessed an increase of nine per cent in the overall funding level between 2000-2001.

In recalling its landmark decision 98/23 on the multi-year funding framework, the Executive Board may wish to take note of the report and to urge all donors to restore growth and predictability to the regular funding base of UNDP.

Detailed information relating to the annual review of the financial situation 2001 — **DP/2002/25/Add.1**

This document presents detailed information on income and expenditure as well as the balance sheets of activities funded from UNDP regular resources, other resources and the funds established by the General Assembly and administered by UNDP.

In accordance with Executive Board decision 98/2, the report also provides information on the amount, origin and destination of other (non-core) resources.

The Board may wish to take note of the present addendum.

Information on United Nations system technical cooperation expenditures, 2001 — **DP/2002/26**

This document contains a summary of the technical cooperation expenditure of the United Nations system during 1997-2001. It also includes a summary of extrabudgetary contributions to the executing agencies.

Information on United Nations system technical cooperation expenditures, 2001 - Addendum — **DP/2002/26/Add.1**

This document presents more detailed information on technical cooperation expenditures in the form of statistical details.

The Executive Board may wish to take note of the above reports.

Report of the Inter-Agency Procurement Services Office — **DP/2002/31**

The biennial report is submitted pursuant to Executive Board decision 96/2 and provides an update on the activities of the Inter-Agency Procurement Services Office (IAPSO), Bureau of Management, from June 2000 to June 2002.

Statistical report of the Inter-Agency Procurement Services Office — **DP/2002/32**

The report provides detailed United Nations procurement statistics by country of procurement, United Nations organization and source of funding. Profiles of member countries of the Development Assistance Committee of the Organisation for Economic Co-operation and Development are also included along with lists of major contracts for goods and services funded by UNDP.

Item 3
Programming arrangements

Report on programming arrangements for the period 2004-2007 — **DP/2002/28**

In its decision 2002/10, the Executive Board endorsed the proposal to move from a three-year programme financial framework to a four-year programme framework for

the period commencing 2004. In the same decision, the Board also requested that the Administrator submit at its second regular session 2002:

(a) further information on questions raised by the members of the Board at its annual session 2002 regarding the proposals for possible improvements in the present programming arrangements; and

(b) specific proposals for possible recalculations of the target for resource assignment from the core (TRAC) 1 earmarkings in the course of the four-year framework period.

The Executive Board may wish to take a decision on improved programming arrangements prior to the start of the next programming period.

Item 4
Evaluation

Annual report of the Administrator on evaluation **DP/2002/27**

The present report on evaluation details the progress made by the organization in areas of effectiveness, performance and substantive accountability. The emphasis for UNDP in the last few years has been on introducing, aligning, internalizing and simplifying results-based management in order to enhance the organization's performance.

In the report, the Administrator invited the Board to take note of the need to: (a) reinforce development effectiveness; (b) strengthen national evaluation capacities in light of the MDGs; (c) strengthen further the culture of managing for results within UNDP; and (d) ensure the organization's continuing commitment to lessons-learning.

The Executive Board may wish to take note of the report of the Administrator on evaluation.

Item 5
Country programmes and related matters

Assistance to Somalia - Note by the Administrator **DP/2002/29**

In accordance with decision 93/4 of 8 February 1993, and later confirmed by decision 99/7, the present note is submitted at the initiative of the Administrator, its purpose being to outline the proposed UNDP programme for 2002-2004 for Somalia. In light of the situation in the country and past ongoing activities, the note has been formulated taking into account a programme review and a reprofiling mission conducted in 2001 and an inter-agency mission conducted in 2002.

The Administrator seeks the approval of the Executive Board to continue to approve projects on a case-by-case basis.
